copies of last 6 months records of your lawful disposals at a PLWWF must be attached						

Prohibited Substances

The following substances are **prohibited** from being discharged into the WWTP:

- · organochlorine weedicides, fungicides, pesticides, herbicides and substances of a similar nature and/or wastes arising from the preparation of these substances
- · bilge water from vessels/ships
- · Soil
- · Greasy oily waste
- · organophosphorus pesticides and/or waste arising from the preparation of these substances
- · any substances liable to produce noxious or poisonous vapours in the sewerage system
- · organic solvents and mineral oil
- · any flammable or explosive substances
- · discharges from 'Bulk Fuel Depots'
- · chromate from cooling towers
- · natural or synthetic resins, plastic monomers, synthetic adhesives, rubber and plastic emulsions
- · rain, surface, seepage or subsoil water, unless specifically permitted
- · solid matter

Signatures

- · any substance assessed as not suitable to be discharged to the sewerage system
- · waste liquids that contain pollutants at concentrations which inhibit the sewage treatment process refer Guidelines for Sewerage Systems: Acceptance of Trade Waste (Industrial Waste) (ARMCANZ/ANZECC, 1994)
- · any other substances listed in a relevant regulation (attached)

The owner/applicant will be billed for each load of liquid trade waste disposed of to the Council WWTP in accordance with the published Ballina Shire Council Fees and Charges applicable at the time of disposal.

The approval of future amendments to this application will be dependent on the available capacity in Ballina's sewerage system. By alerting the Council of the applicant's future plans and proposals you may assist the Council in future sewage management and infrastructure planning.

Please attach any relevant supporting documentation eg:							
Copy of your current NSW EPA Licence							
Copies of all relevant insurance certificates/policies							
Colour photographs of the r	nominated ve	hicle, front, back and both sides					
Copy of your Council approval to Draw Water From a Council Hydrant with a Private Standpipe (if applicable)							
It is an offence to supply false or misleading information. Under Section 665 of the Local Government Act 1993, 'A person who, in or in connection with an application under this Act, makes any statement that the person knows to be false or misleading in a material particular is guilty of an offence. Maximum penalty \$2,200.'							
I have read the contents of this form and I declare that the information that I have provided is true and correct and not false or misleading. I am aware of my obligations regarding trade waste that will be generated from my operations/business. I/we understand that Council has a legal obligation to undertake regular inspections of the operations/business in relation to this Approval, and therefore give Council Officers permission to enter and inspect as per Sections 191 and 192A of the <i>Local Government Act 1993</i> .
