

## 4.10 Kerbside Bulky Waste Collection - Assessment.DOC

241116/37      **RESOLVED**

(Cr Phillip Meehan/Cr Eoin Johnston)

That Council receive a report, to be considered during the preparation of the draft 2017/18 Delivery Program, which investigates the implementation and costing of an annual system of (i) kerbside bulky waste pick-up and (ii) free tip drop-off tickets.

That the report be based upon the following model and any other viable model

### **Kerbside bulky waste pick-up.**

- A limited co-payment service available for kerbside collection of bulky waste (2 cubic metres), equivalent to the size of a small trailer.
- Available to each residence once per year.
- Booked through the Council office.
- A cost of \$40 per collection / Aged pensioners \$20. Must be paid the week before the service through the Council office.
- Pick up days each week to be determined. Requests for a collection close at 3pm the Friday before.
- Accept household items only such as:
  - o Furniture
  - o small white goods (eg washing machine, dryer, bar fridge)
  - o electrical appliances
  - o any single item capable of being easily lifted by two persons.
- A list of items not accepted to be developed, which may include:
  - o builder's waste
  - o bulk motor vehicle parts
  - o green waste
  - o household garbage
  - o tyres
  - o industrial or farm waste
  - o hazardous waste (e.g. chemicals, paints)

Any waste placed on the kerbside without a co-payment service booking will be treated as illegally dumped and appropriate compliance action to be taken.

The kerbside collection may be operated by Council staff or a contractor.

### **Free tip drop-off tickets.**

- Each domestic waste ratepayer to receive one (1) free tip ticket that can be used to drop off items to Council's waste facility (2 cubic metres) equivalent to the size of a small trailer.
- The ticket to be sent out with the annual rates notice.
- Each ticket to have a unique number so multiple copies will not be accepted.
- The drop-off material may be green waste or mixed waste.
- A list of waste not accepted to be developed.
- The waste may have a weight limit (as well as volume).

Further community information and education occur about items that can be dropped off for free at the Council waste facility and the regional waste facility at Lismore.

Further community information and education occur about recycling contractors (eg. metal) that may pick up waste from households.

Cr Ben Smith returned to the meeting at 04:53 pm.
