Dear Cheyne

**Re: Application for Shark Observation Grants Program 2017/18**

Thank you for your application for the Shark Observation Grants Program 2017-18.

Please be advised that your application for additional funding towards the construction of an observation tower at Sharpes Beach has been unsuccessful.

Your interest in this Program is appreciated and you are invited to submit an application for future Funding Programs of a similar nature should they occur.

Should you wish to discuss the performance of your application further, please email Scott Dalton at [scott.dalton@dpi.nsw.gov.au](mailto:scott.dalton@dpi.nsw.gov.au) to organise a debrief.

Yours sincerely
