Dear Paul

Re: 24th District Quota Conference 2011

I acknowledge receipt of your letter dated 16 March last.

The members of the above Club appreciate the information supplied and note that an amount of approximately \$2000.00 is still available under Council's Donations Policy to support events and community groups.

Our Conference is being held 4th-5th June at the Ballina RSL Club. The official Luncheon is on the Sunday and we shall be welcoming from America, the International President of Quota, Gwenn Jackson, a great privilege for our Club. It was first thought that around 140 would be attending but feel that this number will increase somewhat as we are hoping to include local dignitaries if the funding is provided.

Because the conference weekend is not a fundraising weekend, fees paid by those attending do not offset expenses for special guests. It would be of great assistance if our Council could contribute towards the official Sunday Luncheon being held at the Ballina RSL. Our Quota Club would therefore like to make formal application for the sum of \$1420.00 to assist with the Sunday Luncheon expenses. In granting this assistance our Club would be in a much better position to invite important representatives from within our area, and therefore have local community members interact with international guests. Of course, Council would be acknowledged for its financial contribution.

Kindly find attached sheet giving an indication of expected costs applicable to the luncheon. These figures have been based on an attendance of 140.

Yours faithfully,
