Ballina & District Equestrian Club 18<sup>th</sup> July 2011

To: Paul Hickey  
The General Manager  
Ballina shire Council.

The committee at B&DEC have been very busy of late with upgrades and changes to the grounds to suit Insurance concerns. We are currently building a Pedestrian entrance and car park and changing our canteen into a lock up storage shed. Our insurance requires that the toilet-shower block be free of any equipment or Club business.

Also we are installing a large shade sail over our Grandstand and moving our canteen to the old commentators building.

We are almost finished our two D.A. submissions for some landfill, and secondly changes to our lease for overnight weekend camping.

As we are a Community based non-profit Club we ask that you may wave our Development Application fee's.

Cheers, Stuart Abicht Secretary B&DEC.
