NAMATJIRA HAVEN LTD

21st July 2011

To Ballina Shire Council

I am writing to request if Ballina Shire Council can exempt us or reduce where possible any fees in relation to our Development Application for 3 cabins and 2 amenities blocks.

Namatjira Haven LTD is a not for profit Government funded Drug & Alcohol Rehabilitation service for Aboriginal men with Charity status.

If you could please consider this request it would be appreciated and advise me accordingly.

Attached is a copy of our Public Benevolent Institution status and our Charitable fundraising Certificate.

Yours sincerely
