

13.1 Notice of Motion - Naming of Lennox Head Boardwalk

29 Dress Circle Drive,
Lennox Head. 2478
23/8/2009.

Mr P Hickey,
The General Manager,
Ballina Shire Council,
Ballina

Dear Paul,

As a tribute to Brian Smith who has done so much in his life for our beautiful Lennox Head area; I would like to suggest that the boardwalk and new cycleway be named in this memory, if at all possible.

Being a member and also serving on the committee at one time of the Lennox Head Residence Association I think he deserves that honour, as a worthy honour to his life.

Yours Sincerely,

Dorothy H Brumley

Mr Paul Hickey
General Manager
Ballina Shire Council

Dear Paul,

Following the death of Brian Smith the Association of which he was President for 20 years has considered the contribution he made to the development of Lennox Head. We believe he played a significant role in this community and achieved a great deal. For this reason we seek to have his name and memory commemorated in Lennox Head.

The Association requests Council to consider the following proposal.

That the Boardwalk at the southern end of Lennox Beach be named “Brian Smith Boardwalk”

This proposal has been selected because Brian was almost entirely responsible for having this piece of infrastructure installed. It was his idea, he investigated similar projects in other towns and he drew concept plans to demonstrate its feasibility. Brian had a vision and saw it through to achievement.

The high regard for Brian Smith in the Lennox Head community and his tireless work on their behalf over 27 years is sufficient reason to justify honouring his memory in this way and the choice of the Boardwalk for it is appropriate.

Thank you for considering this proposal.

Yours sincerely,

Fred Goodman
President
