

9.1 Ballina Community Services Centre - Renaming

28 McKinnon St
Ballina

Community Facilities Group,

Dear Committee,

I would like you to consider my objection to the changing of the name of the "Ballina Community Centre".

My reason for objecting to the change is that the original finance raised to build the centre was obtained through the 'Department of Ageing', Fay La Po. was Minister at that time.

Mary Guthrie was president of B.D.C.S.A. at that time, she + the the Committee conceived the need for such a centre for the ageing & disabled.

By changing the name seems to me offensive & insensitive to the hard work done by that Committee.

Your Faithfully,
Patti Martell.
