BRIEF SUMMARY OF APPLICATION

Brief Description of Project or Activity: (how the donation would be spent, if provided, eg: buying a new roof, building a fence, paying for insurance): Art & Fine Craft

Exhibition & Sale. Marine Rescue is dependent on fund raising to maintain operations, & we will require a significant amount of money to outfit the new tent. This is a major fundraiser for us. We request assistance in paying for hire of Redmond Room

Estimated Total Cost of Project (excl GST) \$ 300

Please provide details of how you arrived at the estimated total cost of works. Typically two quotes will be provided as part of this application although depending on the nature of the project or activity an alternate explanation of your estimate will be accepted.

Quotation 1: _____

Quotation 2: _____

Other: The Redmond Room looking for \$4,000 for the 3 days of the Art Show would greatly cut into our anticipated profits. Reduced hire cost would make the occasion much more worthwhile for us.

BENEFITS OF PROJECT

Please describe why you believe community funds should be applied to your project. Information should include the people / sections of the community that will benefit from the project or activity.

Marine Rescue is a valuable community service. We monitor & ensure the safety of visitors & the local recreational fishermen, as well as traffic ~~at~~ at sea in our vicinity. MR Ballina is an a Search & Rescue Centre. MR receives very little funding & needs to raise our own funds for operations & improvements, as well as provide voluntary help from our members. We have approx 300 associate members with boats. Our communications centre on the north wall provides a valuable contribution to the community in ensuring safety on our waterways.

FINANCES

Briefly describe why you need financial assistance from Council ie: what financial resources are available to you and why they are not sufficient to pay for this project.

This is one of our major fund raising events & we are trying to keep costs to a minimum.

Subject: CTI Descendants Rugby League Club

Dear Steve

The Cabbage Tree Island Descendants Rugby League Club will soon become a newly formed association to unite our local community, through rugby league and sports, to provide a platform for our older and younger generations to work towards having a competitive rugby league team to enter the NSW and QLD Aboriginal Rugby League Knockouts.

We aim to develop a five year plan to realise our vision of winning a football knockout. This will include a strong focus on mentoring and supporting our boys and young men to be healthy, community oriented and strong football players. We also know that in order to achieve this we need to think smart and holistically about what it will take to have our current and future players ready to compete at a high standard.

We plan to hold fundraising and community events in the lead up to the Knockout to further subsidise the Club to meet costs that are required to take a team down to Newcastle.

Jali LALC is contributing on the fundraising committee to assist in raising funds for the team to attend the NSW Aboriginal Knockout in October. I would like to enquire about Richmond Room to have a Mother's Day luncheon on the 11th May and hoping the room hire cost could be a donation. Any further enquires please don't hesitate to contact me.
