**GRAPHICAL LEGEND**

**PLAN LEGEND**

- 1 Entrance Precinct 1  
Refer to detailed design
- 2 Entrance Precinct 2  
Refer to detailed design
- 3 Realign and resurface entrance road to parallel with memorial walls. Install bollards either side of access driveway allowing for cross-h car parking areas and tree planting on alignment of existing Tuckeroos.
- 4 Avenue of Cupanopsis anacardoides (Tuckeroo)
- 5 Expand RSL burial / memorial area using the same cross memorials based on the concentric arc configuration
- 6 Extend niche wall row and construct additional row of niche walls parallel
- 7 Undertake weed control and vegetation regeneration. Construct a memorial boardwalk and interpretative signage trail throughout the bushland area.
- 8 Construct asphalt driveway/hib and maintain grass vehicular access track thereafter.
- 9 Decommission existing access tracks. Use track space for tree planting of Cupanopsis anacardoides (Tuckeroo)
- 10 Resurface asphalt access driveway and install bollards around turning area
- 11 Existing niche wall area - Refer to detailed design
- 12 New memorial and niche wall terraces, access road and bushland memorialisation area  
Refer to detailed design
- 13 Remove weeds and convert to future burial area
- 14 Plant steep embankment under Coast Cypress trees with native groundcovers and convert to garden area. Plant additional Coast Cypress trees either side of road.
