

7.2 Mayoral Minute - Cape Byron Marine Park Advisory Committee

7.2 Mayoral Minute - Cape Byron Marine Park Advisory Committee

Councillor David Wright

The NSW Government recently announced its intentions to re-establish Marine Park Advisory Committees and to call for nominations. Nominations are now being called for representation on the Cape Byron Marine Park Advisory Committee for the Committee's next four year term.

Cr Cadwallader is currently Council's representative on the Committee.

This Mayoral Minute is submitted as nominations for Committee members close on 7 November 2013.

Normally, Marine Park Advisory Committees meet about two to four times a year. However, when the Cape Byron Marine Park Zoning Plan is being reviewed or there is some other significant event requiring the attention of members, the committee may need to meet more frequently, e.g. six to eight times a year. Out of pocket expenses incurred by a member to attend meetings (e.g. travel costs) will be reimbursed by the Marine Park Authority.

RECOMMENDATION

That Council determine its nomination for the Cape Byron Marine Park Advisory Committee.
