Dear Mr Hickey

RE: Donation – Australian Representation

I recently attended the Australian Masters Hockey Tournament in Adelaide for State representation. From this tournament, I was lucky enough to be selected for the Australian Masters team to attend The Hockey World Cup. This international tournament is to be held in Rotterdam, The Netherlands in June 2014. The World Cup is hosting teams from The Netherlands, UK, NZ, South Africa, Germany and more.

As a player, we are responsible for the payment of flights, accommodation, coaching/physio staff, turf fees and our uniform. The estimate of our trip is \$5,000.

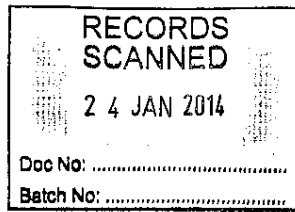

I understand Ballina Shire Council has a policy which may give assistance to shire residents who represent Australia. I would be extremely grateful if I could be considered for some financial assistance.

If there is any further information you may require, please let me know.

Yours sincerely

Ref : Tree donation.

Dear Sir / Madam,

I am writing as a member of Wardell recreation ground trust to request a donation of 30 (thirty) lilly -pilly trees to be positioned in a scattered formation around the grounds.

I have spoken to Jason Vidler of open spaces and reserves who does not see a problem and has guided me through the correct protocol to follow this request.
Hoping you can be of assistance.

Yours Faithfully

Patricia Mathias
