Dear Mr Hickey

Thank you for your letter of 17 November 2013 requesting a variation to Council's Ballina Heights Drive Project approved for funding under the Local Infrastructure Renewal Scheme.

Unfortunately, due to the fact that your variation request is for a substantially different project than the original application, it has been unsuccessful. As such, if the LIRS subsidy cannot be utilised as per the contract conditions, the LIRS Funding Agreement will lapse.

Should you require any further information, please contact Daniela Heubusch – Coordinator Infrastructure on 02 4428 4133.

Yours sincerely

Ross Woodward 7/4/14
