## Community Information Session - Floodgate Management and Floodplain Management Project

A Community Information Session has been organised for **Thursday 21 March 2019 at 4pm** at the Council Chambers to discuss floodgate infrastructure in Ballina and to provide information in relation to Council's latest Floodplain Management Project.

The focus of the presentation will be on the challenges managing the interaction between the stormwater drainage system and the tidal river system.

The Floodplain Management Project update will be an opportunity to explain the scope of works proposed under the contract recently awarded by Council which will review the flood protection measures available for Ballina Island and West Ballina.

Members of the public are welcome to attend.
