Help name this beach...

The Ballina Shire community has enjoyed the sandy beach north of the Missingham Bridge for many years, but the popular recreational area has never received an official name.

Council is now looking to change that, and is asking for suggestions to help name the beach. Submissions will be collated and reported to Council in the coming months.

Skate Park Maintenance - Ballina and Lennox Head

Maintenance and repair works will be undertaken at the Missingham and Lennox Head Skate Parks from Monday 12 August 2019. The skate parks will be closed while works are being carried out.

Works at the **Lennox Head Skate Park are scheduled from 7am - 3pm Monday 12 to Friday 16 August 2019.** Skating will be possible outside the scheduled hours.

Missingham Skate Park will be closed and fenced off from Monday 12 August to Friday 23 August 2019.

Council is committed to maintaining our recreational assets for the enjoyment and safety of our community. These works result from community feedback and consultation with a number of experienced skate park repairers and local skating representatives.

The works will include concrete grinding, repair and resurfacing and are set to improve the safety and long term condition of these important recreational assets.

The timing and scope of these works have been coordinated in consultation with the organisers of the Fair Go Skatefest in preparation for the September event.

Works will be completed by council's contractor SKATECON, who are skate park maintenance and repair specialists.

Council thanks the community for their patience during these upgrades and for maintaining safety around the worksites.
