Tender - Provision for Legal Services RFT1191

Council is inviting submissions for legal services from suitably qualified legal practitioners and law firms. Council is looking to appoint a panel of legal practitioners for a 5-year period.

Tender documentation can be obtained electronically tenders.ballina.nsw.gov.au/eTendering/ (new providers will need to register to access documentation) or in hardcopy from Council's Customer Service Centre 40 Cherry Street Ballina.

► **tenders close: 2pm Tuesday 13 August 2019.**

Late tenders will not be accepted.

Enquiries: Tony Partridge, Manager Support Operations, **Ph 1300 864 444.**

Lake Ainsworth Foreshore Improvement - Stage 3

Council has commenced Stage 3 of the Lake Ainsworth Foreshore Improvement Works.

This work involves constructing a new roundabout adjacent to the Lennox Head Alstonville Surf Life Saving Club and architectural features of road and path surfacing.

Access to Camp Drewe Road will remain open, however, parking and traffic conditions surrounding the construction area will change.

Once completed, the \$1.7 million improvement project will boast additional barbecues, pathways, picnic tables, formalised parking, erosion rehabilitation and landscaping.

Council would like to thank the community for their patience during this upgrade project.

For more information visit council's website ballina.nsw.gov.au

Enquiries: Jamie Fleeting, Construction Engineer, **Ph 1300 864 444.**

Shared Path - Changes to Traffic Conditions

Council will start works this week to complete the final link of the Shared Path, between the Skennars Head Road roundabout and the Pat Morton carpark.

Council has appointed a contractor to complete the new section of path, which will be a combination of boardwalk and asphalt. Due to the proximity of the works to the edge of The Coast Road, speed zone restrictions will apply north of the Skennars Head Road roundabout.

Council would like to thank the community for their patience during this time and anticipates the path will be completed by the end of 2019 (weather permitting).

Enquiries: Paul Busmanis, Manager Engineering Works, **Ph 1300 864 444.**

Information Session - Ballina Arterial Roads Strategy

A Community Information Session has been organised for **4pm Tuesday 6 August 2019** at the Council Chambers to provide an update on Council's long term strategic plans and medium term construction program for upgrading arterial roads accessing Ballina Island and the CBD area.

In the long term, Council's Roads Contribution plan identifies a strategic road works program of \$164 million to cater for increased traffic caused by new urban development up to the year 2036.

In June Council adopted a four year budget to deliver \$41 million of arterial road works to improve access to the Ballina town centre.

Members of the public are welcome to attend.

Road Resurfacing - North Creek Road

Road pavement along the 54 North Creek Road subdivision will be resurfaced, due to failing road-base material previously applied.

Works are expected to commence **Monday 29 July** and continue for three-weeks (weather permitting).

Motorists are advised to follow traffic control that will be in place.

Enquiries: Ian Dodd, Civil Construction Engineering Works, **Ph 1300 864 444.**
