

# Love your Lunch!

## Expression of Interest Form

### Is your school keen to reduce lunchbox waste?

North East Waste in collaboration with Council and the NSW Government's Love Food Hate Waste Program, is seeking expressions of interest from primary schools to join the Love your Lunch Program in Terms 3 or 4, 2021.

The program is based at your school for students aged K-6 and key curriculum outcomes are attached. We operate under a NSW Government Covid-19 Safety Plan and any guidelines set by the school.

The Love your Lunch Program tackles the challenges of reducing lunchbox food and packaging waste, healthy eating, reducing school waste and also food waste reduction amongst families.

The aim is to provide students with the inspiration and skills needed to make or pack their own lunches, which has been shown through recent Australian pilot studies to reduce the amount of food left uneaten at school.

## Program outline:

## Role of the school:

- Promote the program - pre-drafted information supplied.
- Host two workshops for students - face-to-face & digital options available.
- Encourage students to make their own lunch or be involved in lunch choices over a two week period.
- Encourage parents to join up to the free Food Smart Program to reduce home food waste.
- Promote results from the program.
