

13.2 Notice of Motion - Master Plan - Shaws Bay Park area.DOC

- 1 provide 2 way traffic to and from new car park
- 2 Park Street to be pedestrian access only. Replace with 2 way access into new car park
- 3 new car park away from pedestrian movement and recreational areas
- 4 the location of the headstone walls, and the site of the old cemetery, could become the focus of a historical precinct
- 5 new nature based play elements sited under fig trees
- 6 pedestrian path connecting parks
- 7 picnic area with shelters, picnic settings and seats
- 8 new toilet block
- 9 Park Street as pedestrian connection, stabilise banks with native planting
- 10 new wide pavement with decorative elements
- 11 disabled parking with ramped access to beach. This infrastructure to be supported by other accessibility provisions including rails, disabled toilets, tactile paving and sand wheelchair storage
- 12 'beach shack' shelters with seating and broad steps to beach
- 13 formalise car park, protect Norfolk Island Pine with broad garden area
- 14 renovate toilet block and remove 'enclosed'/disused picnic facilities
- 15 provide broad esplanade to waterfront with seating walls, furniture, shade trees and new wide stepped accesses to beach
- 16 new shelters, shade trees, picnic settings and seating
- 17 possible future underpass or pedestrian crossing to Hill Street
- 18 provide lighting in locations suited to night time use such as paths, the foreshore and picnic areas
