Re: Wollongbar Skate Park

Dear Councillors,

As a skateboarder/scooter/BMX rider, I really want the skate park on the corner of Plateau Dr and Riffle Range Rd in Wollongbar to go ahead. The skate park will be a great place to ride as well as somewhere safe to meet with friends and hang out.

I strongly recommend that the Ballina Shire Council support the proposed development of the Wollongbar skate park.

Sincerely,

This skate park will give our children more recreational opportunities. It will also provide a safe place for our children to ride and interact with their friends.

I strongly recommend that the Ballina Shire Council support the proposed development of the Wollongbar skate park on the corner of Plateau Dr and Riffle Range Road.

Yours sincerely,

Re: Wollongbar Skate Park

Dear Councillors,

As a local small business in the region, activities and infrastructure, such as skate parks, attracts riders and family groups from many of the neighbouring areas to use the facilities and to meet friends.

While these riders and their families are in the area they are also visiting our shops and using other services, which contribute to both a vibrant local community and to the local economy.

I strongly recommend that the Ballina Shire Council support the proposed skate park on the corner of Plateau Dr and Riffle Range Rd in Wollongbar.

Yours sincerely,
