# *our community our future*

*Our design rationale for this document is based on a conceptual interpretation of its contents. To symbolise the strategic community approach, we have used segmented shapes to represent the elements of the community that fit into the geographic focus – Ballina. Together, the shapes form the Ballina River map. Every element impacts on the challenges, direction and ultimately the future of its entire form – our community. We hope you enjoy the journey and the view.*

<b>Community Facilities</b>					
<b>Community Facilities Hire - Definitions</b>					
<b>Commercial Hire</b>					
Commercial hire rates are equal to the full rates included in the Fees and Charges publication. Commercial hire is where the venue is being hired by a commercial entity for the business objectives of that entity, or by a person or persons with the intention of making a profit.					
<b>Regular Community Based Activities (RCBA)</b>					
<b>A. RCBA Hire for Regular Bookings</b> - is where the venue is being hired to provide regular sessions delivered by instructors who charge attendees minimal fees and only make a small surplus from each session. For example: language and drama classes, or sports and dance classes. RCBA hire rates are discounted by 25% (approximate; subject to rounding). To receive the RCBA hire rate, the hirer is required to book in advance, a minimum of two sessions per month, and provide evidence of their suitability to meet this definition.					
<b>B. RCBA Hire for Private Functions (One-off Events)</b> - includes one-off events such as weddings, birthdays or similar social gatherings, where there is no charge for attending and no financial gain.					
<b>Community Hire</b>					
A community organisation is defined as an organisation engaged in charitable or other community-based activity operating under Australian law and not established for the purpose of making a profit. Community hire rates are discounted by 50% (approximate; subject to rounding).					
<b>Multiple Venue use over Consecutive Days</b>					
The relevant discount for bookings across consecutive days can be applied to a combination of Community Facilities Venues.					
<b>Fitness Passports</b> - can currently be used at the Ballina Indoor Sports Centre, Alstonville Aquatic Centre and the Ballina War Memorial Pool.

<b>Non-Residential</b> (Sections 501 & 502 LG Act 1993). Per property, per water service size, per annum.  Non-Residential wastewater access and usage charges are based on the following formula: $SDF \times (AC + C \times UC)$ . SDF: Sewerage Discharge Factor. Amount of water consumed that is estimated to return to the wastewater system. SDF: varies dependent on activity conducted on property. AC: Annual Non-Residential Wastewater Access Charge based on size of water meter. C: Water Consumption measured in kilolitres. Applies to both drinking and recycled water where there is dual reticulation. UC: Sewerage Usage Charge per kilolitre. <i>Customers may request Council to review the SDF allocated to their property.</i>

WUEA = Wollongbar Urban Expansion Area

NOTE 1: A credit for development is recognised for an existing approved allotment.

NOTE 2: The contribution rates for non-residential development are determined in accordance with the relevant Contributions Plans.

NOTE 3: Residential developments in rural areas are generally restricted to dual occupancy development

NOTE 4: The Access & Transport Facility contribution rate shown for the WUEA is an approximation as the contribution amount is determined on the area being subdivided. It does not apply to subsequent residential building developments.

NOTE 5: Each Contribution is to be proportionally discounted to ensure the total Section 7.11 contributions remain under the NSW State Government Section 7.11 \$20,000 cap.

NOTE 6: The NSW State Government "affordability threshold cap has been increased to \$30,000 for Cumbalum Precinct A

NOTE 7: Total 7.11 contributions will vary according to the type of dwelling / sub-division

**CAUTION:** Some adjustments may be necessary to account for differences in the catchment areas used by different contributions plans.
