

Community Announcement

12 October 2020

Temporary Closure Killen Falls Walking Track

Ballina Shire Council will be undertaking upgrades to the walking track to the Killen Falls viewing platform and carrying out revegetation works in the area.

The upgrade is important to improve public amenity and accessibility to the viewing platform and to protect the vegetation and natural landscape by better defining the pathway.

The walking track will be closed from 26 October 2020 to 13 November 2020 (weather permitting) while the works are underway. During this period, there will be no public access to the viewing platform and waterfall.

Council wishes to thank the community in advance for their patience during the works, and apologises for any inconvenience.
