RIVER STREET UPGRADE - PARK AND STROLL

RIVER STREET
upgrade

As the much needed upgrade to River Street in Ballina is well underway and on track, please continue to support the River Street traders.

You may not be able to park right out the front, but there's still plenty of parking in other locations in the town centre. New carparking has also been created in River Street adjacent to the RSL underground parking and there is plenty of parking in the lanes behind the main street.

Park the car and take a stroll, you may be surprised at the vast array of choice available, not just Ballina but in all our town centres.
