WUEA = Wollongbar Urban Expansion Area

NOTE 1: A credit for development is recognised for an existing approved allotment.

NOTE 2: The contribution rates for non-residential development are determined in accordance with the relevant Contributions Plans.

NOTE 3: Residential developments in rural areas are generally restricted to dual occupancy development

NOTE 4: The Access & Transport Facility contribution rate shown for the WUEA is an approximation as the contribution amount is determined on the area being subdivided. It does not apply to subsequent residential building developments.

NOTE 5: The Roads Contribution is discounted from the \$11,161 rate for the initial subdivision to ensure the total Section 94 contributions remain under the NSW State Government \$20,000 "affordability threshold"

**CAUTION:** Some adjustments may be necessary to account for differences in the catchment areas used by different contributions plans.
