

Lennox Head Community Market Management

Council recently invited expressions of interest for the management of the Lennox Head Community Market. Unfortunately, no proposals for the operation of the market were received.

Council resolved at its September 2020 Ordinary Meeting to invite Expressions of Interest (EOI) for the management of the market with council seeking EOIs over the period 19 October to 17 November 2020.

Regrettably, without an appointed market manager the Lennox Head Community Market is not expected to recommence.

Potential market managers who have an interest in operating the market are invited to contact Council to discuss ideas and potential proposals.

Contact Simon Scott, Council's Strategic Planner, on telephone 02 6686 1284 or email simon.scott@ballina.nsw.gov.au.
