

Wardell Memorial Hall repair works

Council is closing the Wardell Memorial Hall for essential repairs after the Hall was inundated by floodwaters.

The insurers require the repair works to be undertaken quickly and so Council have coordinated tradespeople to do this.

Building and hygienist reports have indicated significant works are required to repair the building. This means the Hall will be closed for a number of weeks, commencing from Monday 23 May 2022.

What does this mean for the Wardell Progress Association and Wardell CORE?

The Wardell Progress Association and Wardell CORE have been communicated with about the need for these works.

The Wardell Progress Association have advised all hall hirers of the need for repair works.

Wardell CORE have sourced a new location to operate from.

What about the Recovery Assistance Point?

The RAP will vacate the Wardell Memorial Hall on Friday 20 May 2022. Ballina Shire Council and Resilience NSW are committed to providing ongoing recovery assistance and will provide services at a new Wardell location.

Further information will be provided through Council's eNews at ***ballina.nsw.gov.au/floodrecovery***.
