shire council

our community our future

Our design rationale for this document is based on a conceptual interpretation of its contents. To symbolise the strategic community approach, we have used segmented shapes to represent the elements of the community that fit into the geographic focus – Ballina. Together, the shapes form the Ballina River map. Every element impacts on the challenges, direction and ultimately the future of its entire form – our community. We hope you enjoy the journey and the view.

Community Facilities					
Community Facilities Hire - Definitions					
Commercial Hire					
Commercial hire rates are equal to the full rates included in the Fees and Charges publication. Commercial hire is where the venue is being hired by a commercial entity for the business objectives of that entity, or by a person or persons with the intention of making a profit.					
Regular Community Based Activities (RCBA)					
A. RCBA Hire for Regular Bookings - is where the venue is being hired to provide regular sessions delivered by instructors who charge attendees minimal fees and only make a small surplus from each session. For example: language and drama classes, or sports and dance classes. RCBA hire rates are discounted by 25% (approximate; subject to rounding). To receive the RCBA hire rate, the hirer is required to book in advance, a minimum of two sessions per month, and provide evidence of their suitability to meet this definition. This excludes government agencies.					
B. RCBA Hire for Private Functions (One-off Events) - includes one-off events such as weddings, birthdays, or similar social gatherings, where there is no charge for attending and no financial gain.					
Community Hire					
A community organisation is defined as an organisation engaged in charitable or other community-based activity operating under Australian law and not established for the purpose of making a profit (excluding government agencies). Community hire rates are discounted by 50% (approximate; subject to rounding).					
Multiple Venue use over Consecutive Days					
The relevant discount for bookings across consecutive days can be applied to a combination of Community Facilities Venues.					
Fitness Passports - can currently be used at the Ballina Indoor Sports Centre, Alstonville Aquatic Centre and the Ballina War Memorial Pool.

AC: Annual Non-Residential Wastewater Access Charge based on size of water meter. C: Water Consumption measured in kilolitres. Applies to both drinking and recycled water where there is dual reticulation. UC: Sewerage Usage Charge per kilolitre.
