**Angels Beach Drive and Bangalow Road Improvements**

6 January 2022

Business Operator

Dear Resident/Business Operator

**Re: Angels Beach Drive and Bangalow Road Roundabout – Sheather Street Connection**

Works to reconstruct Sheather Street and connect the existing road to Angels Beach Drive will commence on Monday 17 January.

These works will be completed by Ballina Shire Council's contractor, Quickway and are expected to be finished late February (weather pending).

**Property access** – Property access may be impacted, but at no stage will a property's access be blocked. To ensure property access is maintained, the Sheather Street reconstruction works will be split into two work areas.

Over the coming week, a representative from Quickway will liaise directly with impacted properties and businesses to explain the works plan and specific access changes. The contractors Project Manager, Boris Kozhushnik, can be contacted on 0402 447 159.

Once complete, this project will improve safety, congestion and traffic flow through the Angels Beach Drive and Bangalow Road roundabout.

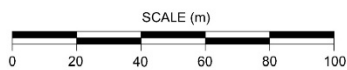

Council would like to thank local businesses and property owners for their patience as these works are carried out. To register for project updates please visit
