**Letter to Businesses - Angels Beach Drive and Bangalow Road
Intersection Widening Works Commencing 16 February 2022**

15 February 2022

To the Business Operator

Dear Sir/Madam

Re: Intersection Widening Works Commencing on Bangalow Road from 16 February 2022

In the last letter to businesses (2 February 2022), Ballina Shire Council advised that a detour would be in place during intersection widening works on Bangalow Road.

The staging of this project has since been changed and a road closure/detour is no longer necessary. If this is required at any stage Council will provide further information to businesses through emailed updates, our website and via local media.

Intersection widening works will commence along Bangalow Road from Wednesday 16 February 2022 between the Angels Beach Drive/Bangalow Road roundabout and Kerr Street. See the map overpage for more detail.

These works are expected to continue until July 2022 (weather and site conditions permitting).

During this time the following traffic changes will be in place:

- **Two-way traffic** will be maintained, however motorists are encouraged to use alternative routes via Kerr and Fox Streets where possible.
- Speed limit will be reduced to 40kmph in construction zones.
- Temporary pedestrian and cyclist detours will be in place around work zones.

To alleviate congestion and avoid travel delays please:

- Allow extra travel time.
- Avoid non-essential travel during peak morning and afternoon periods.

Council would like to thank local businesses for their patience as these works are carried out.

Businesses are strongly encouraged to register for emailed project updates at **ballina.nsw.gov.au/BangalowRoadRoundabout**

Yours faithfully

Brett Dyki
**Manager – Project Management Office
Civil Services**
